Outdoor Bannerstand

outdoorba

Sturdy, wind resistant and allows for interchangeable graphics.

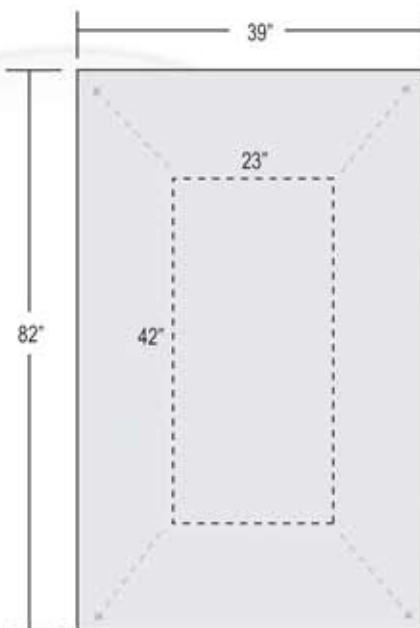

Perfect for all your outdoor Graphic needs!

The Outdoor bannerstand is designed to help withstand vigorous wind and is stable in high traffic areas.

The Graphic hooks easily onto the frame via grommets, while the adjustable pole size allows for various sizes of graphics.

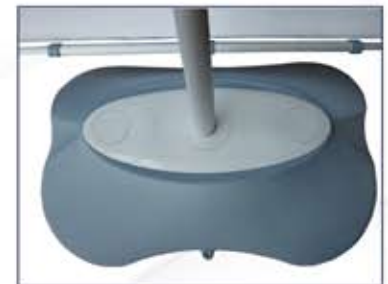

This Product is not only GREAT for outdoor use, but is also perfect for indoor if you're worried about stability in high traffic areas.

Printable Graphic Sizes from 23" - 39" wide and 42" - 82" tall.

Easy-to-fill, Water Base

The base can hold 23 Litres of water for a sturdy stand and the spring located on the lower arm keeps the perfect tension and fights the wind

Adjustable Arms

These allow you to adjust your frame to fit a number of different sized graphics.

A - You can increase and decrease your overall width

B - You can turn to adjust the overall height.
