

Outdoor Banner Setup Instructions

**BALLANCE
DISPLAY**

A Division of Ballance Design Ltd.

Component list for your Outdoor Banner

- 1 Fillable Base
- 1 Centre Pole
- 2 adjustable bars (1 top & 1 bottom)
- 1 Spring (for bottom bar)
- 1 carrying case for hardware
- 1 graphic sized to your specifications

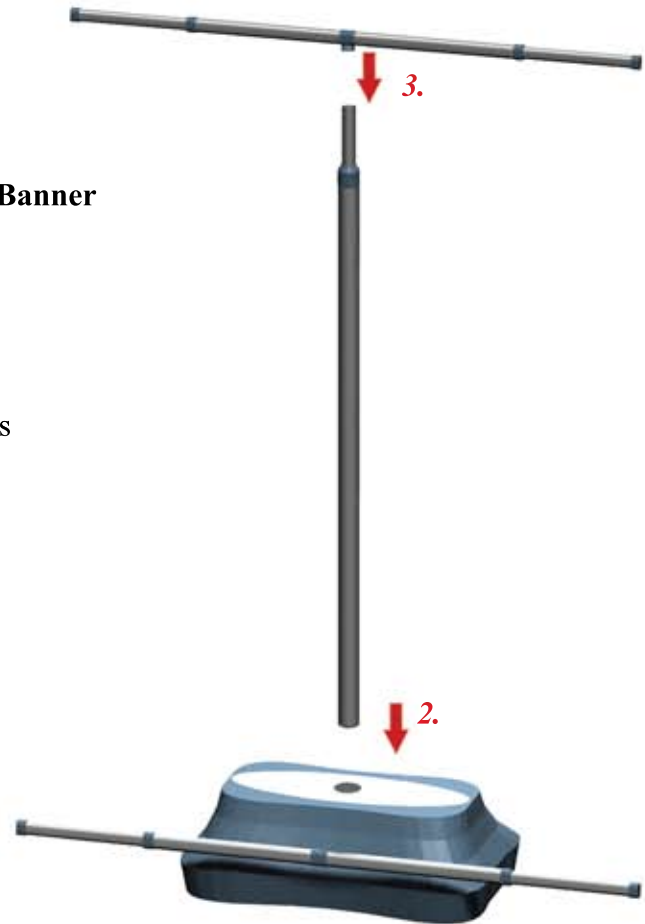

1. Begin by unpacking your Outdoor banner. The bottom bar should be attached via spring to the base.

2. Next, place the supplied centre pole into the base as shown.

3. Once you place the centre pole, follow by placing the upper arm into the pole as shown at #3.

4. Once you have placed all the poles into the base, you can then place your banner onto the hooks located at the four corners.

5. At this point the bannerstand is fully adjustable as shown at all the circle points to the right.
