Snap Edge A-Frame Sign

A-Frame

This Sturdy A frame is great for not only indoors but outdoors as well!

It's never been easier to change your graphics because of our snap edge frame system. The Polished aluminum provides for superior appearance.

The A frame stands 43" High and 22" wide

To Install your interchangeable graphic (19.75"W x 27.5"H) simply snap open the four sides of the frame and install.

Also included is a clear plexiglass cover that protects your graphic from everyday wear and tear.
